NOTE.—Why pay for duty—when you buy cigarettes? Yet, that is what smokers do every time they buy a 5c package of cigarettes of foreign-grown tobacco—over 1c out of their five goes for import duty and ocean freight! But Piedmonts being made of Virginia, grown right here in the U. S. A., pay no duty. Every cent is in the quality. Therefore, Piedmonts can afford to give you better quality—and they do.

## You Young Housewives

Why waste your time trying to show off to hubby what good bread you can make when it only compels you to stand over a heated stove, rummage through the cupboard, wilt your glorious hair, maybe burn those pretty fingers and very likely start him on the way to indigestion.

No one at home can make bread as good as we can, because none of you have the necessary up-to-date equipment.

Home-made bread cannot compare with such good bread as we bake to-day. Try a loaf of our bread and see if he don't like it.
